The I.D.G.A. Membership

Dear Members of IDGA,

Please mark your calendar and make plans to attend the next IDGA meeting October the 3<sup>rd</sup> at the Moral Twp Fire Department, doors will open by 1 with the meeting at 2 pm. We have much to discuss at this meeting. We will start with officer elections, which will include President, Secretary, and Treasurer, followed by 3 directors. The Directors, President and Secretary terms are for 2 years but the Treasurer position will be for just one replacing Judy Hill who is moving to Florida and will not be able to complete her term. Please consider being an officer of our association; it is your Indiana Dairy Goat Association!!!

Please join me in thanking Judy for her great service to our Association over the years!! Judy not only was our Association Treasurer but also helped out as a 4-H leader and also as a show Secretary at the Hoosier Classic and Indiana State Fair 4-H Show. Judy we wish you and Dick all the best in Florida!!! We will miss seeing and working with both of you!!!

This was a very busy summer with lots of local shows as well as the National Show being held in Louisville, KY. Please get any show results of the local shows to Sue Schroeder to be published in our newsletter as well as any dates for shows coming up in 2011. Many shows were cancelled or moved because of the National show being so close so please up date everyone on your show dates for 2011.

Thank you to everyone who came out for the 2010 Indiana State Fair Dairy Goat Show! We had some really warm and humid conditions. I really appreciate everyone working so hard to make this a really great State Fair and a great show! THANK YOU!!! We are a state that is ranked in the top 5 in the nation for Dairy Goats. We grew not only in numbers but also in quality and it was really nice to have all the Dairy Goat breeds represented at our State Fair. Thank You Again, for your hard work to attend and participate!!!

We have finally gotten some relief from the heat and humidity we have been dealing with all summer, but boy is it dry. Please note that fall pastures have really been slow to come around and provide much foraging yet. Cooler temperatures along with moisture will get our cool season grasses like Orchard grass, Rye grass and Fescues to start growing again, so some fall haying may need to be done. Some years with heat and drought stress conditions, breeding can be somewhat of an issue because of this stress, but so far I have not noticed any concerns. Several sheep producers in my area have noticed some difficulty getting ewes to settle so be on the look out with your doe's, it could be an issue this season.

Again our next IDGA Meeting is October the 3<sup>rd</sup> at the Moral Township Fire Dept. I hope to see you there.

Thank You!

Your President, Jerry Lubbehusen
